

2024 FIREFIGHTER LEVEL II CERTIFICATION

Objective

To evaluate the applicants knowledge and performance. To determine if the applicant meets the criteria to be certified as a “Level Two Firefighter” (in accordance with NFPA 1001 – 2002 edition)

Prerequisite

- Must be an active member of a recognized Fire Department.
- Must be a Certified Level I Firefighter.
- Must provide proof of current Standard First Aid Certificate.
- Must provide proof of current BCLS-C-CPR Certificate.
- Must have successfully completed Course 1023 Operations at Hazmat Incidents or acceptable equivalent.
- Must have successfully completed Course 3030 Vehicle Extrication or acceptable equivalent.

Target Group

Intended for firefighters who want to be certified with Firefighter Level II Qualifications

Methodology

Format combines a written examination and evaluation of practical performance.

Content

Test incorporates all skills and knowledge described by the *NFPA 1001-2002* edition and *IFSTA Essentials of Firefighting 5th Edition* for Level II Firefighter, as adopted by the Nova Scotia Firefighters School.

Certification

Certification for this course is through the Nova Scotia Professional Qualifications Board and all applications must be submitted to the Nova Scotia Firefighters School a month in advance of the course for the tests to be processed.

Enrollment

Minimum 10 Students

Maximum 24 Students

Duration

Two days

Location

Nova Scotia Firefighters School only

Note

This test involves mild to heavy physical exertion. Proper protective clothing (PPE & SCBA) and work clothing must be worn. . Course Manual *IFSTA Essentials of Fire fighting 5th Ed.* is recommended.
